SUBJECT-

DEMAND OF EXORBITANT AMOUNT OF MONEY THROUGH SMS BY TPCODL UNLISTED SUBSIDIARY OF TATA POWER LTD MUMBAI WITHOUT GIVING CLARIFICATION OF THE DEMANDED MONEY FOR CA no 80032456404

Personal Secretary to Governor, Odisha

2ND REMINDER

It is pertinent to mention that I had filed PIL WPC 35364 of 2020 AGAINST GOVT OF ODISHA AND TPCODL BHUBANESWAR for financial irregularities, UJALA BULB SCAM, PROMOTING AMAZON WITHOUT MOU to pay bill and many other issues where OHC had directed me to file representation.

I had sent a representation dated 24 03 2021 to comply with the order of OHC (COPY ENCLOSED) which is not replied till date but after receiving the representation by speed post on 27 03 2021 TPCODL had disconnected my power supply on 28 03 2021 without any notice as it comes under essential services during PEAK SUMMER AND COVID which is violation of Electricity Act and Human Rights.

Power was restored after I filed WPC 12707 OF 2021 on 09 04 2021 with a reconnection fee although THERE IS NO RECORD OF OFFICIAL DISCONNECTION AS REVEALED UNDER RTI and the case is still pending with issue notice to TPCODL which is not replied by TPCODL till date.

TPCODL had made statement in LOK ADALAT on 09 05 2026 through their in house counsel that they had made several attempts for settlement but in vain without giving clarification that what type of attempt and effort they have made for settlement which is a corporate lie as they could not produce any documentary evidence in this matter and it was only oral submission AND THE STRANGE THING IS AS TPCODL CAME TO KNOW THAT I DID NOT WANT SETTLEMENT THROUGH MY EMAIL DATED 08 05 2026 TPCODL HAD SENT AN SMS DATED 09 05 2026 AT 9 AM " Adjustment of Rs 24456.72 is made against CA no 80032456404 due to Assessment for faulty meter, this will be reflect in next bill.

I demanded a clarification through email dated 09 05 2026 which is still not replied and as TPCODL has a background of running their business in a criminal manner and there was serious apprehension that if I do not pay Adjustment of Rs 24456.72 then again they will disconnect the power supply unlawfully as they did in 2021 and still TPCODL IS HESITANT TO FOLLOW THE COURT PROCEDURE; I HAD FILED OHC WPC CASE NUMBER 16820 OF 2026 ON 15 05 2026 AND ALREADY INTIMATED TPCODL.

Being fully aware that two WPC against TPCODL and one PIL WPC 5324 OF 2026 AGAINST TATA POWER LTD MUMBAI are pending for financial irregularities and unlawful disconnection of power supply; TPCODL HAS SENT ANOTHER SMS ON 31 05 2026 THAT A BILL IS ISSUED FOR Rs 24778/- due on 06 06 2026 but they did not give clarification and the bill as the meter reader told me that they are on strike.

ALLEGATIONS

1. TPCODL is repeatedly interfering in SUB JUDICE matters in violation of Electricity Act in WPC 12707 OF 2021 without replying to issue notice for the last 5 years.
2. Demanding heavy amount through SMS without giving breakup and clarification
3. Being fully aware that a OHC WPC CASE NUMBER 16820 OF 2026 ON 15 05 2026 is filed in the matter of demand of Rs 24456.72 still they are sending SMS demanding the same and it proves TPCODL has no respect for judicial process and is stubborn to collect money like extortion money as I have challenged unlawful black income of their staff from top to bottom
4. Personal vendetta against me as I had filed A PIL WPC 1096 OF 2013 IN SUPREME COURT BASED ON MY RTI DOCUMENTS FOR CANCELLATION OF DISCRETIONARY QUOTA PLOTS ALLOTED TO IAS IPS AND OTHERS IN ODISHA ALONG WITH CPIL AND COMMON CAUSE where reference was made against the present ENERGY MINISTER, ENERGY SECRETARY AND TWO CHAIRMEN OF OERC and now I am pursuing the matter to revive after Supreme Court verdict in SC 2024 INSA 894 CIVIL APPEAL NOS 3791 TO 3793 OF 2011 ORDER DATED 25 11 2024 cancelling the plots allotted to IAS IPS and others in TELANGANA (COPY ENCLOSED AND DETAILS AVAILABLE IN MY WEBSITE www.jayantidas.com)
5. TPCODL is not following the corporate ethics and behaving like local goon without fear of law and judiciary as GOVT OF ODISHA IS PARTNER WITH 49% SHARE and most of the DQ HOLDERS WHO ARE ILLEGAL OCCUPANTS AS PER SUPREME COURT VERDICT ARE IN POWER AND ARE PROVIDING BOTH MORAL AND PHYSICAL SUPPORT TO TPCODL

Under the circumstances CAG and AG ODISHA should do audit of TPCODL in the matter of UJALA BULB SCAM, AMAZON, LOAD VERIFICATION, DOMESTIC AND COMMERCIAL CATEGORY OF CONSUMERS, SMART METER WITHOUT TENDER AND MOU IN BETWEEN TPCODL AND METER VENDER TO BEGIN WITH FROM 2019 TO 2026, INSTALLATION OF SMART METER ON ELECTRICAL POLE WITHOUT THE CONSENT AND KNOWLEDGE OF THE CUSTOMER, taking meter reading arbitrarily without the knowledge and presence of the customer like mafia, disconnection and reconnection of power supply recorded in their log book etc.

Yours faithfully
Jayanti Das
