7TH REMINDER

**SUBJECT- CASE NO 2152 OF 2022 ARISING OUT OF CASE NO 2160 OF 2019 REGARDING ILLEGAL AND
UNAUTHORIZED MUTTON SHOPS AND ILLEGAL AND UNAUTHORIZED CREMATION GHATS IN CUTTACK**

MY EMAIL DATED 15 07 2025, 30 12 2025 06 06 2026 AND 01 07 2026

With due respect I want to inform you that the commission is not taking any appropriate action in the above mentioned matter which was elaborated in detail in my several emails and is not responding to the above mentioned email and the matter is lingering since 2019 without any reason and I am unable to approach the higher forum for relief from mental trauma which I am going through on a daily basis as the residential areas and the public road are full of open air slaughter shops hanging the carcass in public view in open and killing the birds and animals in public view and so my allegation is that my suffering is due to the willful inaction of OHRC which itself violates my human rights on a daily basis although the open air slaughter is prohibited under both CMC AND UPD ACTS.

If OHRC is a party to violation of human rights then it should be brought to the notice of the Hon'ble OHRC as the matter pertains to Article 21 and is in the domain and jurisdiction of OHC.

You are requested to dispose of the case to make me free from the bindings of a lingering case for more than 8 years lying unattended in OHRC.

Yours faithfully

Jayanti Das
